#### THE SAME OLD STORY.

Nevada Basket Ball Team Just as Easy as Ever.

The high school basket ball team, secompanied by Prof. Moon, went up to Nevada Saturday to play a return game with the team there whom they defeated by a one sided score on the Jesper court a month ago. The game Saturday night was merely a repetition of the first, Jasper proving entirely too strong for the home team and swamping them to the lopsided count of 31 to

train the night of the game, minus some sleep but one more game on the right side of the score sheet. They can now lay definite claim to the high turn now. school championship of southwest Missouri and have only Webb City and Joplin to beat to cinch the title beyond a shadow of doubt. They have not met with a defeat this season, a record that is not apposshed by any other team in this section They best Our thage twice, and Carthage last Friday boys win-

best Jonlin 27 to 15 on the Joplin court, Webb has best Joylin and in consider ed as good as Carthage, and may spring a surprise. We'll know more about it after the game tomorrow night, when they will play the Jasper boys at the Hendricks opers house. The boys expoet this to be the hardest game of the year. The game is of unusual interest as affording the boys of the towns below about their last chappe to head Jasper off from driving a copper rivet in the champiogable. Webb, Carthage, Joplin, Carterville an a one or two other teams form a league, and to have a little country team like Jaster beat all of them and turn their league cham-The boys returned on the midnight pionship into a consolation prize is comething they may be dependend on to strain every effort to prevent. #### ED DICKERSON'S MISFORTUNE.

Former Jasper Man Crawls Two Blocks With Bullet in His Breast.

The following account of the accidental shooting of a former Jasper man appeared in last Saturday's Joplin News Herald. Ed Dickerson, the victim of the accident, moved from here to Joplin about fifteen years ago, and is well known to all the oldest residents. He is a brother of Mrs. Steven Garrett and s prother in-law of Tom Wardlow of Jasper. Mr and Mrs. Garrett, Tom and Ed Wardlow all went to Joplin on receipt of the news of the accident, and returned next day, after the physicians had reported favorably on their patients condition. Says the News Herald:

With blood spurting from a large bul let wound in his right breast, Ed Dickerson, aged 50 years of 2224 Anna Baxter street this morning before daybreak crawled from the Ruth mine on West Armil in Joplin Heights, a distance of more than 200 yards and thus saved Frick.

himself bleeding to death after he had accidentally shot himself with a 38 calibre revolver. Dickerson was removed Fifteen Local Recruits to Order Last to St. John's hospital and his condition is said to be encouraging, unless pneumonia develops. He was employed as night watchman at the Ruth mine on the Armil land.

Going to the office of the mine about 4 o'clock this morning he, in some unanown manner, accidentally dropped the revolver from his pocket. The weapon was discharged, the bullet entering the breast near the nipple.

Dickerson fell almost immediately to the floor, but he realized that unless he secured assitance soon he would perisk Unable to walk and weak and dizzy from loss of blood, Dickerson began his long and tortuous journey to the Armil home about two blocks away.

He is married and is the father of five children. His father in-law is Thomas Blizzard, a well known mine operator.

Mrs. Chas. Snyder came in from In-Twentieth street to the home of Jack diana Saturday to spend the holidays with her parents, Mr. and Mrs. Jacob
